The Feast Of The Goat

When life gets your goat, bring in the herd

Jennifer McGaha never expected to own a goat named Merle. Or to be setting Merle up on dates and naming his doeling Merlene. She didn’t expect to be buying organic yogurt for her chickens. She never thought she would be pulling camouflage carpet off her ceiling or rescuing opossums from her barn and calling it "date night." Most importantly, Jennifer never thought she would only have $4.57 in her bank account. When Jennifer discovered that she and her husband owed back taxes—a lot of back taxes—her world changed. Now desperate to save money, they foreclosed on their beloved suburban home and moved their family to a one-hundred-year-old cabin in a North Carolina holler. Soon enough, Jennifer’s life began to more closely resemble her Appalachian ancestors than her upper-middle-class upbringing. But what started as a last-ditch effort to settle debts became a journey that revealed both the joys and challenges of living close to the land. Told with bold wit, unflinching honesty, and a firm foot in the traditions of Appalachia, Flat Broke with Two Goats blends stories of homesteading with the journey of two people rediscovering the true meaning of home.

On Christmas Eve, Simon finds a goat with beautiful white hair and when the family decides to raise it instead of eating it, the goat rewards them handsomely.

Deep within the remote backlands of nineteenth-century Brazil lies Canudos, home to all the damned of the earth: prostitutes, bandits, beggars, and every kind of outcast. It is a place where history and civilization have been wiped away. There is no money, no taxation, no marriage, no census. Canudos is a cauldron for the revolutionary spirit in its purest form, a state with all the potential for a true, libertarian paradise--and one the Brazilian government is determined to crush at any cost. In perhaps his most ambitious and tragic novel, Mario Vargas Llosa tells his own version of the real story of Canudos, inhabiting characters on both sides of the massive, cataclysmic battle between the society and government troops. The resulting novel is a fable of Latin American revolutionary history, an unforgettable story of passion, violence, and the devastation that follows from fanaticism.

The true story of Guatemala's political turmoil of the 1950s as only a master of fiction can tell it Guatemala, 1954. The military coup perpetrated by Carlos Castillo Armas and supported by the CIA topples the government of Jacobo Árbenz. Behind this violent act is a lie passed off as truth, which forever changes the development of Latin America: the accusation by the Eisenhower administration that Árbenz encouraged the spread of Soviet Communism in the Americas. Harsh Times is a story of international conspiracies and conflicting interests in the time of the Cold War, the echoes of which are still felt today. In this thrilling novel, Mario Vargas Llosa fuses reality with two fictions: that of the narrator, who freely re-creates characters and situations, and the one designed by those who would control the politics and the economy of a continent by manipulating its history. Harsh Times is a gripping, revealing novel that directly confronts recent history. No one is better suited to tell this riveting story than Vargas Llosa, and there is no form better for it than his deeply textured fiction. Not since The Feast of the Goat, his classic novel of the downfall of Trujillo’s regime in the Dominican Republic, has Vargas Llosa combined politics, characters, and suspense so unforgettably.

Returning to her native Dominican Republic, forty-nine-year-old Urania Cabral, discovers that Rafael Trujillo, the depraved dictator called the Goat by the Dominicans, still reigns over his inner circle, which includes Urania's father, with brutality and blackmail, but soon an uprising against him will result in a revolution that will have profound consequences. Reprint. 30,000 first printing.

All sorts of animals bring a variety of foods to share at a picnic: bears bring pears, parrots bring carrots, mosquitoes bring burritos, mice bring rice, and so on.

A historical examination of tension and conflict on the Texas-Mexico border, told from the Mexican perspective, that's especially relevant today.

Goats eat EVERYTHING! Especially when a garden gate is left open and a feast awaits. Not content with strawberries, lemons and beans they continue to munch until all the plants, the shed and the garden gnomes have been devoured. And then . . . off to the next cafe!

The compulsively readable memoir of a woman at war--with herself, with her body, and with food--while working her way through the underbelly of New York City's glamorous culinary scene. Hannah Howard is a Columbia University freshman when she lands a hostess job at Picholine, a Michelin-starred restaurant in Manhattan. Eighteen years old and eager to learn, she's invigorated by the manic energy and knife-sharp focus of the crew. By day Hannah explores the Columbia arts scene, struggling to find her place. By night she's intoxicated by boxes of heady truffles and intrigued by the food industry's insiders. She's hungry for knowledge, success, and love, but she's also ravenous because she hasn't eaten more than yogurt and coffee in days. Hannah is hiding an eating disorder. The excruciatingly late nights, demanding chefs, bad boyfriends, and destructive obsessions have left a void inside her that she can't fill. To reconcile her relationships with the food she worships and a body she struggles to accept, Hannah's going to have to learn to nourish her soul.

fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe’s stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave, kind, human spirit' John Updike With an Introduction by Biyi Bandele

Barbara Kingsolver’s acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

The cultural Cold War in Latin America was waged as a war of values--artistic freedom versus communitarianism, Western values versus national cultures, the autonomy of art versus a commitment to liberation struggles--and at a time when the prestige of literature had never been higher. The projects of the historic avant-garde were revitalized by an anti-capitalist ethos and envisaged as the opposite of the republican state. The Decline and Fall of the Lettered City charts the conflicting universals of this period, the clash between avant-garde and political vanguard. This was also a twilight of literature at the threshold of the great cultural revolution of the seventies and eighties, a revolution to which the Cold War indirectly contributed. In the eighties, civil war and military rule, together with the rapid development of mass culture and communication empires, changed the political and cultural map. A long-awaited work by an eminent Latin Americanist widely read throughout the world, this book will prove indispensable to anyone hoping to understand Latin American literature and society. Jean Franco guides the reader across minefields of cultural debate and histories of highly polarized struggle. Focusing on literary texts by Garcia Marquez, Vargas Llosa, Roa Bastos, and Juan Carlos Onetti, conducting us through this contested history with the authority of an eyewitness, Franco gives us an engaging overview as involving as it is moving.

When Isabella, a beautiful but lazy young woman, agrees to marry an equally lazy prince, the sorceress who raised her gives her the head of a goat in hopes that she will learn to do things for herself.

Mario Vargas Llosa's classic early novel takes place in a Peruvian town, situated between desert and jungle, which is torn by boredom and lust. Don Anselmo, a stranger in a black coat, builds a brothel on the outskirts of the town while he charms its innocent people, setting in motion a chain reaction with extraordinary consequences. This brothel, called the Green House, brings together the innocent and the corrupt: Bonificia, a young Indian girl saved by the nuns only to become a prostitute; Father Garcia, struggling for the church; and four best friends drawn to both excitement and escape. The
conflicting forces that haunt the Green House evoke a world balanced between savagery and civilization -- and one that is cursed by not being able to discern between the two.

The guide to cooking with fire and feeding a crowd, restaurateur Ben Ford gives step-by-step instructions with photos and illustrations so that you can grill, smoke, or roast the whole beast outdoors— or prepare a “tamed” version of the feast in your home kitchen. Cook big. Play with fire. Get your hands dirty. Chef Ben Ford is known for wowing crowds with his handcrafted feasts of enormous proportions—a whole pig roast, paella for eighty, burgers for the block. Now, in Taming the Feast, his complete guide to outdoor grilling, smoking, and roasting, Ford divulges his secrets for nine jaw-dropping feasts for the adventurous home cook and DIY enthusiast. From mouthwatering Texas-style barbecue to Wood-Fired Paella, these entertaining blueprints can be used to throw a party for the whole neighborhood or an intimate dinner for four. A culinary MacGyver, Ford also provides unique complete do-it-yourself primers for making simple custom outdoor cookers that coax the ultimate flavor out of salmon, pig, rabbit, burgers, bratwurst, turkey, and lamb. Here are easy-to-follow step-by-step instructions, drawings, and timelines for constructing a baking barrel, cinder-block oven, smoking shed, and roasting box in your own backyard. Ford’s food reflects his passion for artisanal techniques, innovative combinations of flavors, and seasonal ingredients. Delicious sides, including Avocado Crostini with Tomatoes, Capers, Olives, Almonds, and Arugula, Persimmon Salad with Goat Cheese and Candied Pecans, Cheddar Cheese Loaf with Artisanal Ham and Spicy Brown Mustard, complement hearty main dishes. Each feast ends on a playful note with delicious desserts like classic S’mores with homemade marshmallows and graham crackers and Coconut and Banana Cream "Pies." Each chapter also includes creative recipes to make use of the leftovers you’re sure to have. Taming the Feast is further enlivened by gorgeous photography and Ford’s stories of growing up with his father Harrison Ford, then a carpenter, and his life as chef at some of California’s most celebrated restaurants working under such pillars of California cuisine as Alice Waters, Paul Bertolli, David Tanis, Nancy Silverton, Mark Peel, and Eberhard Müller. Whether you are hosting a pig roast, a fish fry, or a backyard barbecue family reunion, you can be sure everyone will leave your party entertained, well fed, and raving about the food.

This delightful farce opens as the prim and proper Captain Pantoja learns he is to be sent to Peru’s Amazon frontier on a secret mission for the army—to provide females for the amorous recruits. Side-splitting complications arise as world of Captain Pantoja’s remarkable achievements start to spread.

Jitterbug Perfume is an epic. Which is to say, it begins in the forests of ancient Bohemia and doesn’t conclude until nine o’clock tonight (Paris time). It is a saga, as well. A saga must have a hero, and the hero of this one is a janitor with a missing bottle. The bottle is blue, very, very old, and embossed with the image of a goat-horned god. If the liquid in the bottle actually is the secret essence of the universe, as some folks seem to think, it had better be discovered soon because it is leaking and there is only a drop or two left.

The author chronicles her year-long project, during which she committed to cooking three seasonal and local meals on only $40 per week, in a book that includes 150 recipes, such as Lemon-Tarragon Pickled Asparagus and Greek-Marinated Grilled Leg of Lamb.

Internationally acclaimed novelist Mario Vargas Llosa has contributed a biweekly column to Spain’s major newspaper, El País, since 1977. In this
collection of columns from the 1990s, Vargas Llosa weighs in on the burning questions of the last decade, including the travails of Latin American democracy, the role of religion in civic life, and the future of globalization. But Vargas Llosa's influence is hardly limited to politics. In some of the liveliest critical writing of his career, he makes a pilgrimage to Bob Marley's shrine in Jamaica, celebrates the sexual abandon of Carnaval in Rio, and examines the legacies of Vermeer, Bertolt Brecht, Frida Kahlo, and Octavio Paz, among others.

A landmark collection of essays on the Nobel laureate’s conception of Latin America, past, present, and future Throughout his career, the Nobel Prize winner Mario Vargas Llosa has grappled with the concept of Latin America on a global stage. Examining liberal claims and searching for cohesion, he continuously weighs the reality of the continent against the image it projects, and considers the political dangers and possibilities that face this diverse set of countries. Now this illuminating and versatile collection assembles these never-before-translated criticisms and meditations. Reflecting the intellectual development of the writer himself, these essays distill the great events of Latin America’s recent history, analyze political groups like FARC and Sendero Luminoso, and evaluate the legacies of infamous leaders such as Papa Doc Duvalier and Fidel Castro. Arranged by theme, they trace Vargas Llosa’s unwavering demand for freedom, his embrace of and disenchantment with revolutions, and his critique of nationalism, populism, indigenism, and corruption. From the discovery of liberal ideas to a defense of democracy, buoyed by a passionate invocation of Latin American literature and art, Sabers and Utopias is a monumental collection from one of our most important writers. Uncompromising and adamantly optimistic, these social and political essays are a paean to thoughtful engagement and a brave indictment of the discrimination and fear that can divide a society.

What's it like to be the son or daughter of a dictator? A monster on the Stalin level? What's it like to bear a name synonymous with oppression, terror, and evil? Jay Nordlinger set out to answer that question, and does so in this book. He surveys 20 dictators in all. They are the worst of the worst: Stalin, Mao, Idi Amin, Pol Pot, Saddam Hussein, and so on. The book is not about them, really, though of course they figure in it. It's about their children. Some of them are absolute loyalists. They admire, revere, or worship their father. Some of them actually succeed their father as dictator--as in North Korea, Syria, and Haiti. Some of them have doubts. A couple of them become full-blown dissenters, even defectors. A few of the daughters have the experience of having their husband killed by their father. Most of these children are rocked by war, prison, exile, or other upheaval. Obviously, the children have things in common. But they are also individuals, making of life what they can. The main thing they have in common is this: They have been dealt a very, very unusual hand. What would you do, if you were the offspring of an infamous dictator, who lords it over your country? An early reader of this book said, "There's an opera on every page": a drama, a tragedy (or even a comedy). Another reader said he had read the chapter on Bokassa "with my eyes on stalks." Meet these characters for yourself. Marvel, shudder, and ponder.

Trisha loves the eight days of Hanukkah, when her mother stays home from work, her Babushka makes delicious potato latkes, and her Grampa carves
wonderful animals out of wood as gifts for Trisha and her brother. In the middle of her family's preparation for the festival of lights, Trisha visits her closest neighbors, expecting to find them decorating their house for Christmas. Instead they are all bedridden with scarlet fever. Trisha's family is one of the few who has been spared from the epidemic. It is difficult for them to enjoy their Hanukkah feast when they know that their neighbors won't be able to celebrate their holiday. Then Grampa has an inspiration: they will cut down trees, decorate them, and secretly deliver them to the neighbors, "But what can we decorate them with?" Babushka asks. Although it is a sacrifice, Trisha realizes that Grampa's carved animals are the perfect answer. Soon her living room is filled with trees -- but that is only the first miracle of many during an incredible holiday season. Based on a long cherished childhood memory, this story celebrates the miracle of true friendship.

A very greedy goat wreaks havoc in the barnyard in an entertaining cautionary tale from the acclaimed author/illustrator of "Strawberries Are Red" and "Silly Suzy Goose." Full color.

Haunted all her life by feelings of terror and emptiness, forty-nine-year-old Urania Cabral returns to her native Dominican Republic - and finds herself reliving the events of 1961, when the capital was still called Trujillo City and one old man terrorized a nation of three million. Rafael Trujillo, the depraved ailing dictator whom Dominicans call the Goat, controls his inner circle with a combination of violence and blackmail. In Trujillo's gaudy palace, treachery and cowardice have become a way of life. But Trujillo's grasp is slipping. There is a conspiracy against him, and a Machiavellian revolution already underway that will have bloody consequences of its own. In this 'masterpiece of Latin American and world literature, and one of the finest political novels ever written' (Bookforum), Mario Vargas Llosa recounts the end of a regime and the birth of a terrible democracy, giving voice to the historical Trujillo and the victims, both innocent and complicit, drawn into his deadly orbit.

Spanning thirty years of writing, Making Waves traces the development of Mario Vargas Llosa's thinking on politics and culture, and shows the breadth of his interests and passions. Featured here are astute meditations on the Cuban Revolution, Latin American independence, and the terrorism of Peru's Shining Path; brilliant engagements with towering figures of literature like Joyce, Faulkner, and Sartre; considerations on the dog cemetery where Rin Tin Tin is buried, Lorena Bobbitt's knife, and the failures of the English public-school system.

A mysterious messenger delivers four invitations for a round of golf to the elite of society. These four avid golfers use their power and wealth to shape life to their own depraved reality at the expense of others. The golf course is in a remote part of the world and kept secret from the public. The messenger visits a senator, army colonel, a professional baseball player and a wealthy surgeon. His presence terrifies each person he visits but they accept the exclusive invitation despite their instincts. The golfers look forward to a long weekend to indulge in the opulent amenities of the golf club but the distinguished director of the club has other plans. A lifetime membership to the club is the prize for winning the golf match. When they meet their caddies, they realize their power and wealth can't save them from the sinister secret of Goat Trails Golf Club.

Urania Cabral, a New York lawyer, returns to the Dominican Republic after a lifelong self-imposed exile. Once she is back in her homeland, the elusive feeling of terror that has overshadowed her whole life suddenly takes shape. Urania's own story alternates with the powerful climax of dictator Rafael Trujillo's reign. In 1961, Trujillo's decadent inner circle (which includes Urania's soon-to-be disgraced father) enjoys the luxuries of privilege while the rest of the nation lives in fear and deprivation. As Trujillo clings to power, a plot to push the Dominican Republic into the future is being formed. But after the murder of its hated dictator, the Goat, is carried out, the Dominican Republic is plunged into the nightmare of a bloody and uncertain aftermath. Now, thirty years later, Urania reveals how her own family was fatally wounded by the forces of history. In The Feast of the Goat Mario Vargas Llosa eloquently explores the effects of power and violence on the lives of both the oppressors and those they victimized. 'The Feast of the Goat will stand out as the great emblematic novel of Latin America's twentieth century and removes One Hundred Years of Solitude of that title.' Times Literary Supplement

Analyses Vargas Llosa's career as a writer and as an important cultural and political figure in Latin America and beyond.
